

Let Your Team Know One Another Better
(To be used to assemble a team roster of full time and
part time staff members)

Because we want to know each other better, we would like you to share a bit of personal information with our team. Please give brief answers to the following questions. This information will be included in our team roster. Thank you.

Name: _____

Any nicknames we should know about? _____

What's your role in the practice? _____

When did you start working here? _____

Tell us anything you'd like us to know about your family:

What's your favorite snack?

What's something most people don't know about you - an interesting fact, something unique about you or a hidden talent?

What's your favorite place to be?
